Victory Dinner TO John Borican

Thurs., April 13, 1939
9. P. M.
GRAND HOTEL
78 WEST MARKET ST.
NEWARK, N. J.

Dear Friend:

John Borican, the great middle distance track champion and native of Bridgeton, N. J., has agreed to be our guest at a "Victory Banquet" in Grand Hotel, Newark, Thursday evening, April 13th. We feel that he has brought supreme credit to our race by his sensational track victories. As a native Jerseyite we believe Jersey's leading citizens would like to honor this champion.

However, only 60 tickets are being sold for this event, as Borican prefers a smaller affair. Already the demand is mounting. So we are asking that you apply for reservations by mail or phone at once. Tickets can be either mailed or delivered by messenger. The price is \$1.25 each.

The Banquet is being given by the North Jersey Sportswriters Association, comprising sports writers of all local and national newspapers, and is being given at cost. An unusual and highly entertaining program and an entirely original one will be presented. The event is informal. Please submit names of your guests along with reservations if possible, as place cards are being made up on which a space is reserved for Borican's autograph.

Very truly yours,

Borican Victory Banquet Committee.
